

DAC MEETINGS 2012

Meetings of the DAC normally take place on 'second Mondays' in each month. There is no meeting in August. The agenda is normally sent out at the end of the preceding month. Requests for inclusion in the agenda – preferably with the supporting documentation (plans, specifications and, where appropriate, statements of need and significance) should be sent to the Secretary before that date. Late items received after the circulation of the agenda will be taken to the meeting but there may not be time to deal with them at that meeting.

Meetings begin at 10am, apart from in July when we will meet at 4pm with the meeting followed by the annual dinner.
