

OXFORD DIOCESAN SYNOD**Bishop's Mission Orders and Deanery Synod Representation:
Latimer Minster and St Mark's, Milton Keynes**

1. The Church Representation Rules ('CRR') make provision under rule 27A for schemes to be made by diocesan synods providing for representation on deanery synods "of persons to whom mission orders relate". In the absence of such schemes, the laity and clergy concerned remain unrepresented on deanery synods unless they happen also to have parish involvement.
2. The first two Bishop's Mission Orders in the Diocese, both commencing on 1 November 2013, relate to the Latimer Minster missional community in Amersham deanery and to St Mark's, Milton Keynes, a project working ecumenically with people on the margins of the Church in Milton Keynes. It is now proposed to make provision for representation of those involved with these projects on the respective deanery synods.
3. The two schemes annexed to this paper provide for the clergy licensed to each project and for two elected representatives of the laity involved to be members of, respectively, Amersham and Milton Keynes deanery synods. This level of representation has been agreed in each case following consultation with the respective Visitors of the mission initiatives, the Revd Derrick Carr and the Archdeacon of Buckingham.
4. Diocesan Synod is asked to approve the deanery synod representation schemes annexed to this paper. Under CRR rule 27A(2), such schemes require "the assent of the house of bishops and of a two-thirds majority of the members of each of the other houses present and voting".
