

OPEN THE BOOK

"Open the Book (OtB) offers primary school children an opportunity to hear key Bible stories told by a team of Christians from local churches, who present the stories during assemblies or acts of collective worship. Each presentation takes around 10–15 minutes and can be incorporated into a wider school assembly, or can stand alone. It is a three-year rolling program with an additional, but optional year of material based on Christian values for schools."

This wording is taken from the Bible Society's website. Here you will find all the information you need to set up your own Open the Book. There is a wonderful short film to watch that explains to power and potential of creating your own Open the Book team.

Once you have watched the film here is the link where you will find a step-by-step guide with everything you need to put your team together.

One of the greatest strengths of OtB is that it allows you to connect with families through your local school and invite them to events you run such as your Messy Church, seasonal services, or outside expressions of church.

Let us know if you create your own team so we can be praying for you and if you need any further help do get in touch.
