We would like to publish your details in the Diocesan Directory. We ask you to think very carefully before refusing permission for this, as others would be unable to contact you. It is an on-line directory which is password protected and only available to people who have an entry in the directory. There is also a printed version available for people to purchase from Church House.

**Why have we asked you to fill in this form?**

We are grateful for the support of all those who serve the Diocese. Each person who holds a stipendiary, non-stipendiary or voluntary office in any parish in the Diocese, or whose name appears in the Diocesan Directory, is asked to complete this form. It will help us to help you if we have all your details from the start. It will ensure that you receive appropriate Diocesan information and mailings.

We shall take it that your permission is given for as long as you hold this or any other office in the Diocese, or until you withdraw that permission (whichever is the shorter period). If you withdraw your permission, wholly or for certain types of use, we will change the various entries, but we shall not be able to modify printed documents already in circulation.

Please note that if you change your name for any reason a new Data Protection form needs to be completed.

We will treat your personal data within the best practice guidelines of data protection.
