Notes

- A The Deanery Community Profile = average score per household (Experian data as available for use at January 2016)
- B The ER used for 2018 Share Apportionment is the rolling average of 4 years 2013 to 2016, (discounting the most recent year 2017)
- C Attendance is based on the reported October Count figures by using the average of the middle two Sunday attendance figures (by value) of the four October Sundays reported in each of the last four years and the average of the four year figures resulting.
