Governor Training

2018-2019

Welcome to our Governor Training 2018/2019

Schools have long required informed and reliable governance. In the current climate of a rapidly changing educational landscape, the need for the right skills and competencies within trustee and governing boards has never been greater.

ODBE is wholly committed to providing the best possible training and support for governance in our schools. We aim to help Headteachers, Governors and Trustees to work together, in a climate of support and challenge, to drive vision and improve outcomes for our children.

This 2018/2019 Governor Training programme is significantly broader than anything we have offered before and supports both Ofsted's current 14 criteria for governance and the new SIAMS framework. The quality of partnership between schools and their governing bodies can make a significant difference to the effectiveness of the institution and we are delighted to provide this comprehensive governor training.

Our Governor Training can be accessed in several ways:

Individual Modules

Governors and trustees may attend any training modules/sessions on an individual basis at a cost of £60 + VAT per delegate for schools in the SLA and £80 + VAT per delegate for non SLA schools.

As you go through the brochure there is a link to each individual session to enable you to book directly through Eventbrite. When booking your ticket, you can request alternative methods of payment. Please see the payment method page. We will then invoice you on receipt of booking.

Excellence in Governance (EiG)

- A training initiative to support transformation and the strategic leadership of church schools.
- A wide range of training modules - all governing boards wishing to become part of the EiG programme will sign up to complete at least 10 across 24 months; allowing schools to choose their own pace and priorities (can be completed in 12 months).
- An opportunity to show commitment to on-going CPD within and for the full Governing Body.
- A programme of training which will have a direct impact upon the quality of governance and outcomes for children.
- A total cost of £650 + VAT for schools in the SLA and £900 + VAT for non SLA schools, with 3 governors able to attend each module/session – amazing value for money!
- On completion, the governing body/school will be presented with a plaque to recognise their achievements and will be able to use the EiG mark upon any school documentation.

ODBE training

We also offer a range of other DBE governor training opportunities often linked to our CPD programme.

The RIGHT programme

A Diocesan network through which chairs and aspiring chairs of Governing Bodies and boards of trustees can come together to share and learn.

All courses and modules are badged by their provider and identified clearly throughout the booklet but if you require any further information please don't hesitate to contact us by email training@oxford.anglican.org
