Notes

- A The Deanery Community Profile = average score per household (Experian data as available for use at January 2018)
- B The ER used for 2019 Share Apportionment is the rolling average of 4 years 2014 to 2017, (discounting the most recent year 2018)
- C Attendance is based on the reported October Count figures by using the average of the middle two Sunday attendance figures (by value) of the four October Sundays reported in each of the last four years and the average of the four year figures resulting.
