

Make a Difference to Local Schools

Photo: Shutterstock

Could you be a school governor or trustee?

The Oxford Diocesan Board of Education is looking for people with a variety of skills to become Diocesan-appointed (Foundation) governors and trustees in Church schools and multi-academy trusts across the Diocese. These are challenging but hugely rewarding voluntary roles that provide a real opportunity to make a difference to the prospects of local children and to promote Christian values in schools and education.

For an informal discussion, or to find out more about the work of our trustees and governors, contact **Penny Bingham** at the Oxford Diocesan Board of Education on **01865 208237** during office hours or email **penny.bingham@oxford.anglican.org**

The Oxford Diocesan Board of Education exists to serve our 282 church schools and all those who have links with education.
