

# The Church continues to be alive and active, but our buildings must close.

We are seeing a huge increase in the number of people falling sick with COVID-19. We must distance ourselves from one another and prevent the spread of infection in order to save lives.

**Therefore, as well as public worship being suspended, this and all church buildings in the Church of England are now closed.**

Our worship of God and our care for each other continue but cannot be done in this building.

Our website contains details of how to join others online for prayer, worship, study, and community life. The vicar/churchwardens of this church can be contacted in an emergency.

“Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength . . . Love your neighbour as yourself. There is no commandment greater than these.”

To protect the vulnerable amongst us, please do not leave your home except for essential trips.

## Pastoral support

If you would like prayer (or other support) for you or someone else, please get in touch. We are happy to be contacted by phone or email using the details shown here.

Let's live hopefully, love generously and pray earnestly, blessing each other by the way we behave. Stay calm, stay at home and let people know that you care for them. Following Government instructions and support for the NHS and emergency services are all signs of us being community together.
